RESOLUTION NO. \_\_\_\_\_

RESOLUTION DIRECTING THE COUNTY MANAGER TO DEVELOP A PLAN FOR THE ENTIRE WEST DADE LIBRARY SITE LOCATED IN WESTCHESTER, MIAMI-DADE COUNTY, FLORIDA; DIRECTING THE COUNTY MANAGER TO INCLUDE AN AFFORDABLE HOUSING COMPONENT IN THE MASTER PLAN

**WHEREAS**, Westchester is one of Unincorporated Miami-Dade County's older communities; and

**WHEREAS**, Westchester is one of Miami-Dade County's most stable blue collar working communities with many residents who have lived in the area for long periods of time; and

**WHEREAS**, the population in Westchester is rapidly aging; and

**WHEREAS**, the residents of Westchester have expressed the desire for full service elderly housing facilities, which would permit them to continue to live in the Westchester area as they reach retirement years and have to seek government subsidized housing; and

**WHEREAS**, many elderly residents have expressed the desire for full service elderly housing facilities in Westchester in order to allow them to live close to their children, grandchildren and friends; and

**WHEREAS**, it is good public policy to have full service affordable housing facilities for the elderly equitably distributed throughout the County, which allows elderly residents an opportunity to live in communities where their family, friends, physicians and support systems are located; and

**WHEREAS**, there are few elderly housing communities and full service elderly housing facilities to serve the needs of the poor and elderly residing in Westchester and Kendall; and

**WHEREAS**, there is a need for approximately two thousand (2000) units of affordable housing for the elderly within Commission District 10, which includes Westchester and Kendall; and

**WHEREAS**, there may be an opportunity to relocate the existing library parking spaces and establish additional new parking spaces on the Florida Power and Light (FPL) utility easement that runs adjacent to the West Dade Regional Library; and

**WHEREAS**, this relocation process would free up space next to the West Dade Regional Library and next to the Francisco Human Rights Park for construction of an apartment building to provide housing for elderly residents; and

**WHEREAS**, establishing elderly housing at this multipurpose site, that presently consists of a regional library/community center, a park and a mass transit bus stop, would be ideal since the elderly would have all these services at their door step,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF DADE COUNTY, FLORIDA**, that this Board directs:

**Section 1.** The County Manager to develop a plan for the entire West Dade Regional Library site that would address the requirements of the Library, the Fire Department., Miami-Dade Transit, Miami-Dade Parks and Recreation, and the housing needs of the elderly residents of Westchester, Miami-Dade County, Florida.

**Section 2.** The County Manager is to include an affordable housing component in the Master Plan.
